

# What Makes Vibrant Mojo Surprisingly Different

**Save the Community Day:** We believe so strongly in making our communities vibrant that we provide 8 hours of "volunteer time off" annually to employees. This could happen in a single day, or be broken up into smaller commitments over time.

**The Vibrant Cares Campaign:** Vibrant Credit Union has long held an interest in giving back to the - local communities in which we serve. The philanthropic spirit is simply a part of our DNA. We take great pride and pleasure in helping improve the lives of people in the communities we're involved in. The Vibrant Cares Campaign provides our employees an opportunity to select from several local and national charities to provide contributions. Employees can opt to make regular bi-weekly paycheck deductions or to provide a one time annual donation.

**Motivational Moments:** Most employees start their days with a cup of coffee—ours start with line dancing. We think happy employees make for happy members, so each of our locations kicks off the day with a Motivational Moment. These 15-minute company meetings can be anything from musical chairs to a paper airplane contest; the only rule is everybody must participate and nobody is allowed to talk shop. Seriously—no business talk. Nothing ruins a perfectly good morning sing-along like the word "deadline."

**Jeans Day is Everyday!** We firmly believe that you don't need to be in a three piece suit to provide sound financial service and advice to members. Thus, staff have the option to dress professionally or in business casual attire 6 days a week, Monday through Saturday and are encouraged to "dress for their day".

**T-Shirts and Tennis Shoes:** At Vibrant, we celebrate Fridays with our "Casual for a Cause" program. Team members may elect to contribute a minimum of \$2.50/per pay period to Vibrant Cares for the opportunity to couple a Vibrant T-Shirt and Tennis Shoes. These contributions are then distributed evenly to the charities within Vibrant Cares.

**24 Hour Gym:** To best provide our employees the opportunity to be happy and healthy, we provide a 24-hour gym at our corporate center. Healthy employees tend to be happier and more productive employees. We know that sometimes everyone needs a little motivation to get the ball rolling, so we brought the gym to the workplace. We provide gym memberships to staff members at branch locations in other communities to ensure that they have the opportunity to invest in their health as well.

**Monthly Theme Days:** To ensure that we're living our mission of providing a surprisingly different banking experience, Vibrant facilitates a monthly theme day. The branch and Corporate team that demonstrates the most outstanding theme is frequently treated to a catered lunch. Don't be surprised if you stop by a branch and are greeted by a Pirate...that's just us proving that banking doesn't have to be boring!

**Strengths Based Culture:** Vibrant maintains a workplace environment that focuses on each employee's strengths. Every new employee completes Gallup's Strengths Finder Assessment and their results are shared openly with the organization. Managers then receive training to ensure they understand their team's individual talents at a deep level to ensure they have an opportunity to apply their strengths to their work on a regular basis.

**Education Reimbursement:** Vibrant Credit Union provides financial support to eligible employees who participate in externally sponsored educational courses, which meet certain criteria. Such support is intended to enhance employees' professional development and their skills and knowledge related to our business.

**Give your Mojo A Break:** Vibrant Credit Union recognizes that employees need time for rest, relaxation, and other personal and family needs. Our comprehensive time-off plan allows employees to take time to enjoy activities and interests outside of work that support their well-being. Benefits include: paid time off (PTO), paid holidays, bereavement leave, and jury duty leave.
